TO WHOM IT MAY CONCERN 7 January 2026

This letter is to certify that **Muhammad Saad Khan** worked with us as a Flutter Intern for a duration of **four months**.

During his internship, Saad consistently demonstrated a strong level of dedication, professionalism, and technical capability. His overall performance throughout the internship period was really impressive and exceeded expectations. He showed exceptional logical and problem-solving skills, particularly in Flutter-based application development, and was able to understand requirements quickly and translate them into effective solutions.

In addition to his technical strengths, Saad displayed excellent team collaboration qualities. He worked well with other team members, communicated clearly, and was always open to feedback. His positive attitude, willingness to learn, and ability to contribute meaningfully to the team made him a valuable part of our development process.

Based on his performance, skills, and work ethic, I strongly believe that Muhammad Saad Khan will be an asset to any organization or team he chooses to work with in the future. I wish him the very best in his professional career and future endeavors.

If you require any further information, feel free to reach out.

Yours Sincerely,
Syed Muhammad Huzaifa Shah
